

VISION

To foster innovation, creativity and productivity in the field of Information Science and Technology and be a resource center in advanced, sustainable and inclusive computing in the future.

MISSION

1. To prepare the students to accept technological challenges with confidence to design innovative solutions in the IT sector and the society at large.
2. To promote learning process among students with latest tools and technologies and prepare them for diverse career option in IT sector.
3. To Collaborate with IT industry and institutes of higher learning for Research and development, innovations and continuing education.

Ganapathi Avabrath
Asst. Prof. ISE

EDITORIAL MESSAGE

Dear readers,

ISE warmly welcomes you to its 3rd Issue of Newsletter “AnumAnika”. The beginning of the academic year is at its heart, a fantasy of newness and clean slates—of the chance to do things differently and with more attention to purpose. In reality, it’s also one of the most challenging times of year for many of us. With the commencement of new academic session for B.E. program, new dreams, hopes, aspirations and events are also unfolding. The editorial desk is thankful to all those who contributed to this edition. We appreciate your support and feedback. We hope going through this newsletter is as enjoyable for you as it is for us bringing it to you.

Happy Reading...!

MESSAGE FROM HOD

AnumAnika the e-newsletter of ISE department which showcases the participation of our staffs and students in academic and co-curricular activities conducted in our institution and elsewhere. The dedication and teamwork of faculty and students can be seen from the number of activities that are conducted in each semester. On behalf of the HOD, I extend sincere gratitude to all those who contributed for the third issue of AnumAnika.
