YENEPOYA INSTITUTE OF TECHNOLOGY

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

VISION

To empower students such that they will be technologically adept, innovation driven, self-motivated and responsible global citizens possessing human values by imparting quality technical education in the field of Computer Science.

MISSION

- To facilitate and expose the students to various learning opportunities through dedicated academic guidance and monitoring.
- To provide a learning ambience to encourage innovations, problem solving skills, leadership qualities, team-spirit, entrepreneurship skills and ethical responsibilities.
- To encourage faculty and students to actively participate in innovation, industry solutions, research and lifelong learning so that their contribution makes a substantial difference to the society.
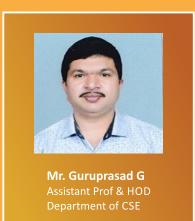

EDITORIAL BOARD

Faculty Coordinator

I would like to congratulate our department for a great semester. Firstly, I would like to thank all the people who have helped us in making the newsletter. It had been an amazing and new experience for me. This semester was full of great things Let's have look of second issue of volume 1

Mrs. Smitha
Asst. Prof., Dept. of CSE

STUDENT EDITORS

- **Pratheeksh,** 3rd Year CSE
- **Shodhan,** 3rd CSE
- **Manzoor,** 3rd Year CSE
- **Dixith. D,** 3rd Year CSE
- **Shetty Amar Ravindra,** 3rd Year CSE

HOD Message

Advances in computer science have taken place bringing together the understanding of the scientific and technological foundation of computing, the concepts of software and hardware as well as those of communication technologies

The Department of Computer Science and Engineering endeavours to contribute to these advances through teaching and research in this field. The present newsletter attempts to present the Department and its activities for general information to all concerned.

Mr. Guruprasad G
Assistant Prof & HOD
Department of CSE

DEPARTMENT ACTIVITIES

TECHNICAL TALK

Department of Computer Science Engineering organized a Technical Talk on **"Deep learning"** 2nd March 2019. Dr. Srikanth Prabhu, Dept of CSE, MIT, Manipal was the resource person.

INDUSTRIAL VISIT

On 23rd march 2019 an industrial visit to IISC was organized to VII semester students.

One day workshop on **"Technical Writing with LATEX"** was organized by Department of Computer Science and Engineering on15th April 2019. Dr. B.S. Mahanand, Professor, Dept.of ISE, JSS Science and Technology University, Mysore was the resource person

"Debugging is twice as hard as writing the code in the first place. Therefore, if you write the code as cleverly as possible, you are, by definition, not smart enough to debug it"

-Brian Kernighan

LaTeX provides a **description** environment, which works just like an itemized or enumerated list except that the item labels are specified by an (optional) argument to the \item command, rather than being automatically generated

"Computer Science is the only discipline in which we view adding a new wing to a building as being maintenance".

- Jim Horning

Student Forum

1. Mr. Deepak, Mr.Thejesh, Mr.Pranesh and Ms.Anjali of 6th semester participated in Artificial Intelligence Workshop conducted by Technophilia Solutions at NITK, Surathkal on 23rd and 24th February 2019.

2. 6th semester 5 teams participated in TCS tech bytes quiz held at Sahyadri College of Engineering and Management, Mangalore.
